## The first ever Pluto return to USA natal Pluto HAS BEGUN!

Pluto was in Capricorn from 1762 to 1778 (about 16 years)

The United States Declared itself a Country on July 4, 1776 – 245 years ago in 2021

**Pluto was at 27 Capricorn 33**

Pluto returns about every 248 years though not precise due to elliptical orbit

Pluto came within less than a degree of the USA Pluto in April 2021

stationing retrograde at 26 Capricorn 48 – 45 minutes from being exact

**Pluto comes back to 27 Capricorn 53 October 10, 2023 or 247 years later**

# Pluto Initiations Are About

## Dying to:

- A Perception and/or Belief about Life or ourselves that limits who we are especially due to fear of something – not good enough, failing etc...
- A Way of Being that no longer serves
- An Identity that limits Living from our true self

**Pluto Operates** through chaos, powerlessness and events beyond our control.

It's about facing our Shadow and Deepest Fears so you are no longer limited or defined by these fears.

Reward and Punishment, Good and Bad are irrelevant. Being "good" won't get you out of having to let go

This is about transformation whether wanted or not

**The United States Pluto Return lasts from April 2021 to January 2024**

**There are Three Exact Passes to the USA Pluto in 2022**

**February 19, 2022 at 7:22 pm, PST 10:22 pm EST**

**July 11, 2022 at 3:03 PDT, 6:06 pm EDT (retrograde)**

**December 27, 2022 at 4:20 PST, 7:20 pm EST**

**Cycle begins completion phase in Oct of 2023 and is complete Jan 2024**

**Chiron in Aries (2019 to 2026) passes the USA natal Chiron July 2023**

**Another Underworld Initiation to turn our wounds into our Medicine**

**Surface of Pluto**

# Pluto is a Cultural or Collective Death and Rebirth Initiation

The United States is having to Die to Who It has Been To BE reborn to its original intent

Pluto penetrates deep into the hidden lies and manipulation for power & control

Bringing the shadow to light - purifying and transforming them so a new birth can occur

This is exposing Capricorn's shadow that has manifested in the United States inherent structures of government, economics, education, health care, climate crisis, spiritual fundamentalism etc... that are designed to control and manipulate and limit our freedom

# The Declaration of Independence Declares

- All People are Created Equally
- All People have Basic Rights that No one Should Be Able to Take Away
- These Rights are Our Divine Inheritance
- Including Life, Liberty and the Pursuit of Happiness
- True and Just Government is created by the People, for the People to Protect these Rights
- Government Gets Its Power from the People It Governs
- If a Government doesn't Protect these Rights then the People have the Right to Change the Government

Sirius with the Sun was exact on July 4 back in 1776 and is a BIG reason why the Declaration of Independence was purposely and ceremonially put into place on that date in 1776.

**Pluto as a Teacher, Guide and Initiator is always about empowerment first through the alchemy of transforming Shadow and Facing Fears.**

**Some helpful Pluto Questions :**

**Are you willing to surrender and face your deepest fears?**

**Are you in denial of what scares you, blaming others rather than looking at what is really going on for you?**

**Are you experiencing events beyond your control that are bringing up fears you didn't even know you had?**

**Are you at the effect of addictions, expectations, limited perspectives that are holding you back from experiencing the magnificence of your true self?**

**Are you embracing what scares you - trusting that in doing so, you will ultimately be empowered in ways you haven't yet imagined?**

Prophecy Rock Near Oraibi, Arizona, symbolizes many Hopi prophecies. This is some of what it means:

To the left is an image of Great Spirit in Human form instructing humans to lay down their weapons. The vertical line to the right of the Great Spirit is a time scale in thousands of years. The point at which the great Spirit touches the line is the time of his return.

The "life path" established by the Great Spirit divides into the lower, narrow path of continuous Life in harmony with nature. The upper road is of white man's scientific achievements.

The bar between the paths, above the cross, is the coming of white men; the Cross is that of Christianity. The circle below the cross represents the continuous Path of Life.

The four small human figures on the upper road represent, on one level, the past three worlds and the present; on another level, the figures indicate that some of the Hopi will travel the white man's path, having been seduced by its glamour.

The two circles on the lower Path of Life are the "great shaking of the earth" (World Wars One and Two).

# Prophecy Rock Near Oraibi, Arizona

The Upper path is the path of destruction or the path of the two hearted who are driven in Power Over Others and Greed. A two hearted person thinks with their head rather than their heart

The Lower Path is the path of the One Hearted representing those who think with their heart **leading to harmony and balance**

The short line that returns to the straight Path of Life is the last chance for people to turn back to nature before the upper road disintegrates and dissipates.

The small circle above the Path of Life, after the last chance, is the Great Purification, after which corn will grow in abundance again when the Great Spirit returns.

And the Path of Life continues forever...

A Worthy Questions:

Am I living on the one-hearted path?

Am I living with my heart wide open, forgiving, grateful, compassionate and kind even in challenging times?

Even when it feels like I am in Hell?

# Additional Prophecies to Note:

Hopi prophecy says it up to the people with good pure hearts who are not afraid to fulfill their destiny of peace and plenty for this world. We now stand at a crossroad whether to lead ourselves in everlasting life or total destruction. We believe that human beings' spiritual power through prayer is so strong that it decides life on Earth.

**We ARE the ones we have been waiting for!**

**The Mayan and Tibetans speak of this as the 'Age of Flowers'**

**The Quero (a Quechua-Peru) in the Cusco Region call it the 'Age of Peace and Illumination'**

**Ancient Egyptian rites of Initiation were patterned on the Seeding, Budding, Blooming and Fruiting of the Heart**

**The Mayan Calendar saw this as 'Seeding and Birthing New reality'**

**The planetary alignments are here to remind us it is time to let go of the past and open our hearts to the Cosmic Codes we all carry within awakening us to the Divine Love guiding us toward our destiny when we surrender, allow and forgive!**

How is it that I am experiencing such great Peace and Love  
within myself regardless of what is going on in the outer world?

Why is my heart growing more open, loving, compassionate and forgiving everyday?

Why am I experiencing more and more magic and mystery all around me?

*“All paths are the same: they lead  
nowhere. ... Does this path have a heart?  
If it does, the path is good; if it doesn't, it  
is of no use. Both paths lead nowhere; but  
one has a heart, the other doesn't. **One  
makes for a joyful journey; as long as you  
follow it, you are one with it.** The other  
will make you curse your life. **One makes  
you strong; the other weakens you.**”*
