The 2022 Sky Mysteries

Upcoming Planetary Initiation Cycles
Letting Go of the Old and Embracing New Possibilities

Charge of the Crone (author unknown)

Hear the words of the Dark Goddess who stands within the crossroads,
whose torch illuminates the underworld:

I am the Queen of Magic and the Dark of the Moon, hidden in the deepest night.

I am the mystery of the Otherworld and the fear that coils about your heart in the
time of your trials.

I am the soul of nature that gives form to the universe; it is I who await you at the end
of the spiral dance.

Most ancient among gods and mortals, let my worship be within the heart that has
truly tasted life, for behold all acts of magic and art are my pleasure and my greatest
ritual is love itself.

Therefore, let there be beauty in your strength, compassion in your wrath, power in
your humility, and discipline balanced through mirth and reverence.

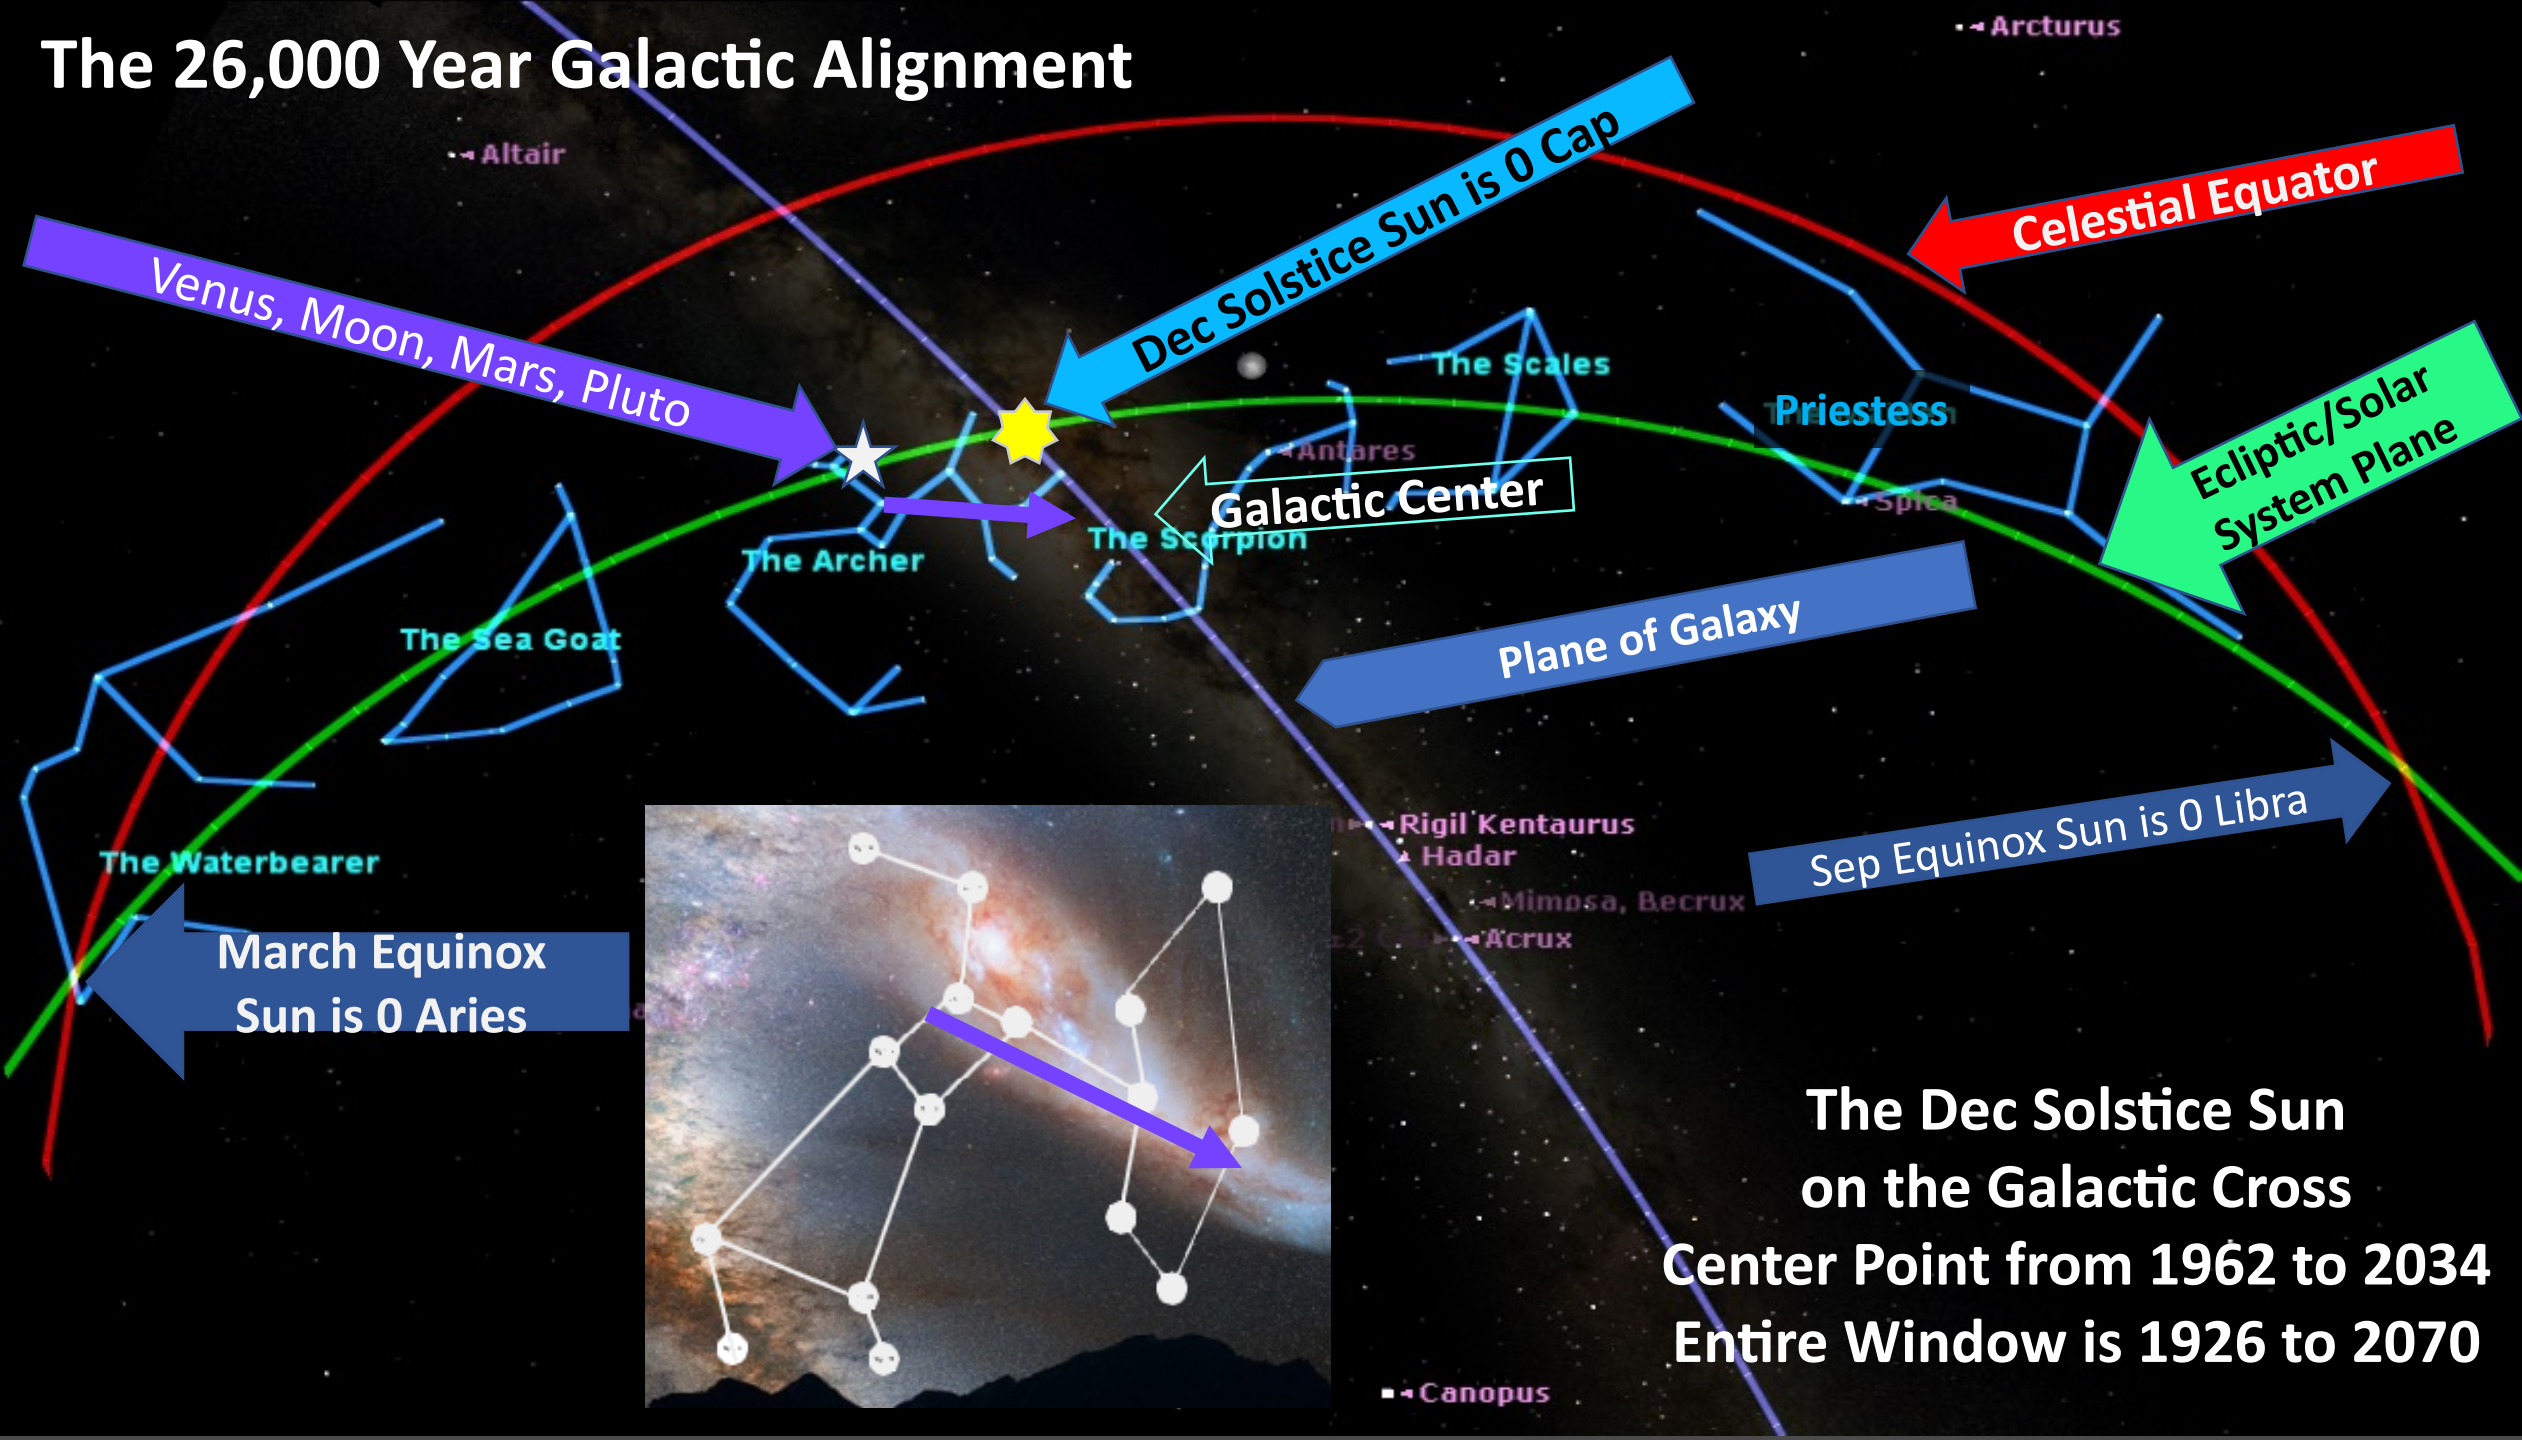

You who seek to remove my veil and behold my true face, know that all your
questioning and efforts are for nothing, and all your lust and desires shall avail you
not at all. For unless you know my mystery, look wherever you will outside yourself
and it will allude you, for it is within you and nowhere else.

For behold, I have been with you, from the very beginning, the comforting hand that
nurtured you in the dawn of life, and the loving embrace that awaits you at the end of
each life, for I am ALL that is attained at the end of the dance, and I am the womb of
the new beginnings, as yet unimagined and unknown.

The Archer's arrow is aiming at Galactic Center, the Alchemical Cauldron of Transformational Change where we are invited to release and let go of all our energetic distortions.

Nunki is the vane of the arrow or release point, sending all old energy to the Galactic Cauldron (Galactic Womb) where it can be renewed in the heart of our Galaxy energizing the wisdom of the heart to transform Earth's destiny.

Venus with Nunki highlights the importance of this powerful alchemy highlighting the wisdom of releasing and letting go, sending our distortions into the Alchemical Cauldron of Galactic Center.

The Sun passes this star every year on January 2 or 3. In 2022 this happened on January 2 at the time of the New Moon.

We are currently experiencing a series of Moon occultations over Nunki until Feb 2023 helping to further activate and accelerate the possibility for radical transformation.

Today January 29 Moon Occults Nunki energizing the release of Distortions at the Crown Chakra...

A Great Ceremonial Song to Song

Once upon a time Crone, Hag, and Witch were positive, honoring, respectful words for old women.

Crone comes from crown, indicating wisdom emanating from the head; hag comes from hagio meaning holy; and witch comes from wit meaning wise.

Crones, hags, and witches frequently were leaders, midwives and healers in their communities. The meanings of these three words, however, were distorted and eventually reversed during the 300 years of the Inquisition when the male-dominated church wanted to eliminate women holding positions of power.

Women identified as witches, often older women (crones and hags), were tortured and burned. The words witch, crone, and hag took on the negative connotations that continue in our language. The Crone Movement, however, is re-claiming the positive meanings of these words.

Who Are Our Grandmother Guides?

Grandmothers of our Bloodline

- Can be beloved grandmother, elder woman of your bloodline you have known personally
- Can be from distant past
- Can be embodiment of DNA from past or future from past or future bloodline

Grandmothers of our Soul Lineage

- Star Beings or Celestial Guides from other Realms, Dimensions, Galaxies, here to help Humanity transition to the New Earth Culture
- Grandmother, Elder Guides of different bloodlines from past or parallel lives

OR Our Inner Grandmother Wise Crone Essence...

Feminist theologian and educator Mary Daly (1928- 2010) spoke admiringly of Crones as strong women with powers of endurance.

Her book *Gyn/Ecology: The Metaethics of Radical Feminism* (first published in 1978) is still available.

This book represents Dr. Daly's synthesis of theology, mythology, philosophy, history and medicine.

"...It is noteworthy that Merriam-Webster gives as the etymology of crony the Greek cronos, meaning long-lasting, or chronos, meaning time. It would seem eminently logical to think that crone is rooted in the word for 'long-lasting,' for this is what Crones are."

It is time for the wisdom of the elders (including the crones) to be valued and deeply honored and respected once again as the steady, ingenious, courageous, compassionate wisdom embodied in our wise ones, elders, grandmothers and grandfathers.

This Initiatory Venus Journey is About:

- Understanding the Importance of our innate wisdom creating the space for everyone to be equally valued for their unique contribution
- Learning more about the value of taking responsible action and having fun doing so
- Knowing self through responsible service and wisely executed actions
- Learning how to experience wisdom and embrace opportunities even in the darkest most challenging places
- Releasing the pain of domination, manipulation, unnecessary hierarchy and power over
- Recognizing we can accomplish far more together creating flexible guidelines rather than seriously following human rules

You see, the problem in life isn't in receiving answers.
The problem is in identifying your current questions.
Once you get the questions right, the answers always come....
Let your perception of beauty and iridescence lead your way.
Places and people who have answers for you
will appear more luminous and attractive.
The Celestine Prophecy by James Redfield.

Asking the Right Questions

What if asking the right questions was the key to changing your life experience and co-creating the New Earth?

What if instead of asking; “what is wrong with me?” or “why am I not _____” (fill in the blank...i.e. happy, healthy, prosperous, etc...) you asked yourself how can I change my point of view to see what is right with me or you asked yourself what steps do I need to take to create a more fulfilling experience?

Questions To Consider during this Venus Cycle...

- Are you stepping up to consider how important taking loving inspired action is for you, the Earth and the generations to follow?
- Are you calling on the wisdom of your ancestors helping to transform their trauma if there is any, changing the legacy going forward so that it's not old patterns of competition - killing off our competition - killing off our world - killing off anything that feels threatening - whether figuratively or literally?
- Do you have the Courage to do what feels most loving supportive and kind even when it goes against the status quo?
- Are you taking steps to change your perspective, to be aware of the places where you get triggered or hooked into an emotional response that puts you in survival mode?
- Are You Choosing Love and Kindness as the way to create the New World?

Grandmother Proverbs 31:25-26

Strength and Honor are her Clothing.
She shall rejoice in time to come.
She opens her mouth with wisdom,
And on her tongue is the law of kindness

Candlemass, Imbolc, February Cross-Quarter

Nicole wrote this as she was preparing for the first Priestess Emergence that took place on February 2, 1995 and put it in her book *Temple of the Living Earth*

So often I had cried because community and celebration were so absent in my life. Now I cried with relief and gratitude for its organic emergence.

My role as an initiator was not at all altruistic. Nor were my actions consciously deliberate. The yearning in my soul was simply so intense that it called loudly to others whose souls yearn for the same.

Our motives in co-creating a new reality are very personal and very real.

A new way of being was finding expression through us.

As we broke free of the casings of the old ways, we established new ground where we and others who cared to join us could begin anew.

**Nicole and Cayelin
New Earth Priestesses
back in the mid-90's**

February 2, 1995 was the First Priestess Emergence in Tucson, Arizona. After that Ceremony Nicole wrote this intention...

I, Nicole Christine, joyfully intend to consciously and responsibly utilize my resources to seed the New Earth in 1995. I intend to fulfill my commitment to establish the four foundational Priestess Circles as anchoring cornerstones for the Ceremonial Intent, which, when in place, symbolically establishes the Celestial Earth matrix of the Priestess Sisterhood.

*I further intend to more fully activate Gaia and Greenman Consciousness, to celebrate Life, and birth Earth Song Publications through self-publication of **The Temple of the Living Earth.***

This will prepare the way for publication of collective writings of the Awakened Priestesses. I open to receive the Greatest Good that I might have more to give and more to receive. It is Done and in Accordance with Divine Design and Divine Timing. And I give thanks.

On December 2, 1995 the Fourth Circle completing the 4 cornerstones of Celestial Earth she had envisioned.

All those who are Priestesses of Celestial Earth, or the New Earth, are helping to fulfill this 27-year-old vision.

December 2021 to March of 2022 features a rare triple conjunction of Venus with Pluto in Capricorn

The third and final conjunction is on the 3rd of March very near the USA Pluto at 27 Capricorn 33 only 17 minutes from being precise.

Pluto entered Capricorn in 2008 and leaves in 2023/2024

In 2013, Venus passed Pluto on November 15 at 10 Capricorn.

In 2014, Venus (13 Cap 34) returned to be within just over 1 degree of Pluto (12 Cap 16) on Jan 30 the day Venus stationed direct - an almost double conjunction - definitely not a triple conjunction.

Venus exact with Pluto
Mars is also within 16 minutes of Pluto
These alignments last for a
few days before and after the exact alignments.

The last triple conjunction of Venus and Pluto in Capricorn was in 1770 to 1771, about 252 years ago if calculating from 1770.

On Jan 15, 1771 Venus rose as morning star at 15 Capricorn 44 within 2 degrees of Pluto at 17 Capricorn 33 (251 years ago in 2022).

A triple conjunction of Venus with Pluto won't happen again for more than 240 years in the Capricorn Cycle.

These triple Venus and Pluto in Capricorn conjunctions can only happen when Pluto is Capricorn and Venus is retrograde in Capricorn.

Last Triple Conjunction of Venus and Pluto in Capricorn

Nov 23, 1770 (15 Capricorn 53)

Jan 12, 1771 (17 Capricorn 21)

Feb 18, 1771 (18 Capricorn 37)

On January 14, 2022 Venus rose near the Stars Nunki (12 Cap 40) and Vega (15 Cap 34).

The next time this happens is in 2030 when Venus rises as morning star at 12 Capricorn 37 so even more precisely with Nunki in 2030.

Jan 14, 2022 Venus rose at 15 Capricorn 04 and Vega is currently at 15 Cap 34.

Feb 14 Venus re-aligns with Vega 15°Cap34'

AND again in the Solstice Window on **Dec 22, 2022** Venus returns to align with Vega again at 15°Cap 35'

★
Nunki
12 Cap 40

In the book *Star Light Elixirs and Cosmic Vibrational Healing* by Michael Smulkis and Fred Rubinfeld **Nunki** is described as ...

A star directly seeded by the center of the galaxy...

Emanating from the galactic center where creative force originates stimulating a new contextual view, a new idea, or a remembrance of an old idea now brought into form in a new way.

This theme is guiding the Current Venus Cycle

It may help to create an intention that includes opening to guidance around new insights and ideas designed to loving create your New Earth Reality.

Vega One is of the Magical Stars of the Ancient Alchemists

Vega is the Vulture star!

The Egyptians saw her as the Goddess Nekhbet transmitting her mysteries to the Earth through any planet aligned in the zodiacal degrees of Vega.

Every year the Sun is with Vega January 4, 5, and 6 in the constellation of Lyra around the annual passage of the Earth closest to the Sun (or perihelion).

This means the potency of the illumination coming to Earth when the Sun is aligned with Vega is further magnified due to Earth's closer proximity to the Sun.

The Sun is within 6 degrees of Vega from December 30 to January 12 every year.

Vega is the brightest star in the constellation Lyra and is the famous star Jodi Foster travels to in the movie Contact. In addition to being the bright pole star 13,000 years ago.

Vega is one of three bright stars in the Summer Triangle, and one of **15 magical Behenian Stars** the ancient alchemists felt had the greatest potency when planets were within 6 degrees.

- Vega “The Vulture Star” or “The Sitting Vulture” depicted with a lyre in her beak in the story of Orpheus, the musician who attempted to save his beloved from the underworld. Upon Orpheus’ death Jupiter (a.k.a Zeus) sent a vulture to rescue the Lyre out of the river and placed it in the sky.
- Vultures are often thought to be bad omens causing bad luck or even death.
- In Egypt, the Vulture Goddess Nekhbet (a word also synonymous with Mother - Great Mother, Dark Mother, Grandmother - in ancient Egyptian) was highly revered.

Vulture Medicine

- These medicine birds are great teachers in the realms of alchemy and efficient use of energy for joyful living.
- The scientific name for the Vulture is *Cathartes Aura* or “**Golden Purifier**” because Vultures turn death into life, cleaning and purifying the environment in the process.

- Vultures live in harmony with the Earth – so very Capricornian...
- They don't have to work at flying but rather endlessly soar on the air currents or thermals they see rising from the Earth assisting them in blissfully gliding upon those energy currents - suggesting they can assist us in seeing what we may not otherwise see – teaching us about the usefulness of seeing subtle energy fields as well as seeing both multi-dimensionally and inter-dimensionally. And how to easily connect with the energy at hand for best results
- **The Returning Power of the Divine Feminine**
This suggests we are entering a time when the Golden Purifier divine feminine energy of the Vulture as Nekhbet is again infusing the Earth with new Feminine Wisdom especially when Venus is aligned with this star for many weeks as we navigate the first few weeks of 2022.

The first ever Pluto return to USA natal Pluto HAS BEGUN!

Pluto was in Capricorn from 1762 to 1778 (about 16 years)

The United States Declared itself a Country on July 4, 1776 – 245 years ago in 2021

Pluto was at 27 Capricorn 33

Pluto returns about every 248 years - not precise due to its elliptical orbit

Pluto came within less than a degree of the USA Pluto in April 2021

stationing retrograde at 26 Capricorn 48 – 45 minutes from being exact

Pluto comes back to 27 Capricorn 53 October 10, 2023 or 247 years later

Pluto Initiations Are About

Dying to:

- A Way of Being that no longer serves
- An Identity that limits Living from our true self original intent

Pluto Operates through chaos, powerlessness and events beyond our control.

It's about **facing our Shadow and Deepest Fears** so we are no longer limited or defined by these fears.

Reward and Punishment, Good and Bad are irrelevant. Being "good" won't get you out of having to let go.

This is about transformation whether wanted or not.

How can you expand your perspective and be empowered?

What are you most afraid of?

Are you willing to consider that another person's point of view is just as valid as your own even if it seems completely opposite?

Are you willing to question what you believe is true or have been told what is true?

Is the Earth Really flat?

Most everyone in a time long past adamantly believed it.

There are those to this day who truly believe that.

If you believe it does it make it true?

If you DON'T believe does it make untrue?

Pluto's Gifts

Alchemy and transformation through Death and Rebirth

Discovering the buried treasure within - once the fear, grief, pain, rage, aggression, jealousy, etcetera has been embraced and transformed - revealing our greatest strengths and gifts

Stripping away the false self (the dissolution of the caterpillar) to reveal the True Empowered Self (being transformed into the butterfly or Phoenix)

Pluto In Capricorn is a Cultural or Collective Death and Rebirth Initiation

The United States is having to Die to Who It has Been
So it can BE reborn to its original intent

Pluto penetrates deep into the hidden lies and manipulation for
power & control

Bringing the shadow to light - purifying and transforming the
shadow so a new birth can occur

This is exposing Capricorn's shadow that has manifested in the
United States (and countries around the world) inherent
structures of government, economics, education, health care,
climate crisis, spiritual fundamentalism etc... that are designed
to control and manipulate and limit our freedom

The United States Pluto Cycle is about finally freely living the original intent as stated in the Declaration of Independence and the Preamble to the Constitution

We hold these truths to be self-evident, that all men (people) are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness.

Preamble to the Constitution

We the People of the United States, in Order to form a more perfect Union, establish Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.
