

The Great Cosmic Womb And the Magical Mysteries of Time

Time Beyond Time - Womb Time
Sacred Time vs. Secular Time

Cayelin K Castell

We Inform The Mysteries
As Much As They Inform Us

The Cosmic Womb Divine Mother Goddess

based on the Charge of the Goddess and the Charge of the Crone

I am the Ancient Divine Mother the Cosmic Womb at the Center of the Universe giving Birth to all that exists. I am the Queen of Magic!

I am the Dark of the Moon, hidden in the deepest night. I am the mystery of birth, life, death and rebirth loving and guiding you on your journey.

**I am the soul of nature giving form to the universe.
Most ancient are my mysteries.**

Therefore, let there be beauty in your strength, compassion in your wrath, power in your humility, and mastery balanced with mirth and reverence. For behold all acts of love and pleasure are my greatest magic.

You who seek to know me, know and remember my mysteries reside within you. If you seek outside yourself - my mysteries will elude you, for they are within you and nowhere else.

Know I have been with you, from the beginning, the comforting hand that nurtured you in the dawn of life, and the loving embrace that awaits you at the end of each life, for I am ALL that is attained at the end of the spiral dance.

I am the womb of all new beginnings as yet unimagined and unknown.

The Womb of all Possibilities

The womb (the Cosmic Womb of Creation and the literal embodied womb) is a space of infinite intelligence and creativity, a space for the Creation of all possibilities.

The “feminine womb of creation” naturally releases, clears, and cleanses anything in the way of being powerful creators.

Note: Symbolically men and women both have access to the womb of creation through intention and attention to the creative force within.

What needs to be cleared and cleansed from your creative womb so you recognize what is yours to create?

A worthy Intent: I am lovingly co-creating the New Earth within ME in ways that are Joyful, Magical and Fun!

SACRED TIME

***Many Ancient Mystery Schools
Remind us:
When We Activate
Our Awareness
Around the Cosmic
TIME Mysteries
We Become Even
More Magical Co-creative Beings***

This is NOT referring to Secular Time.
It is About Sacred Time.

In the space of Sacred Time a series of alchemical changes can open us up to physical and energetic transformation UP leveling our ability to co-create the New Earth Reality.

Awareness of the Cosmic Time cycles is one of the magical keys

Divine Energy becomes even more present in the physical, mental, emotional, and spiritual bodies of those embodying these mysteries.

This timely and inspirational connection expands the aura and the physical body so it can receive and transmit more light energy.

This leads to a profound awakening into timeless experiences - as relevant and life-altering today as it was in the sacred temples of Ancient Cultures.

***When Experiencing this
Kind of Heightened
Awareness and Enlightenment,
Everything Changes
on Every Level***

Kairos Time

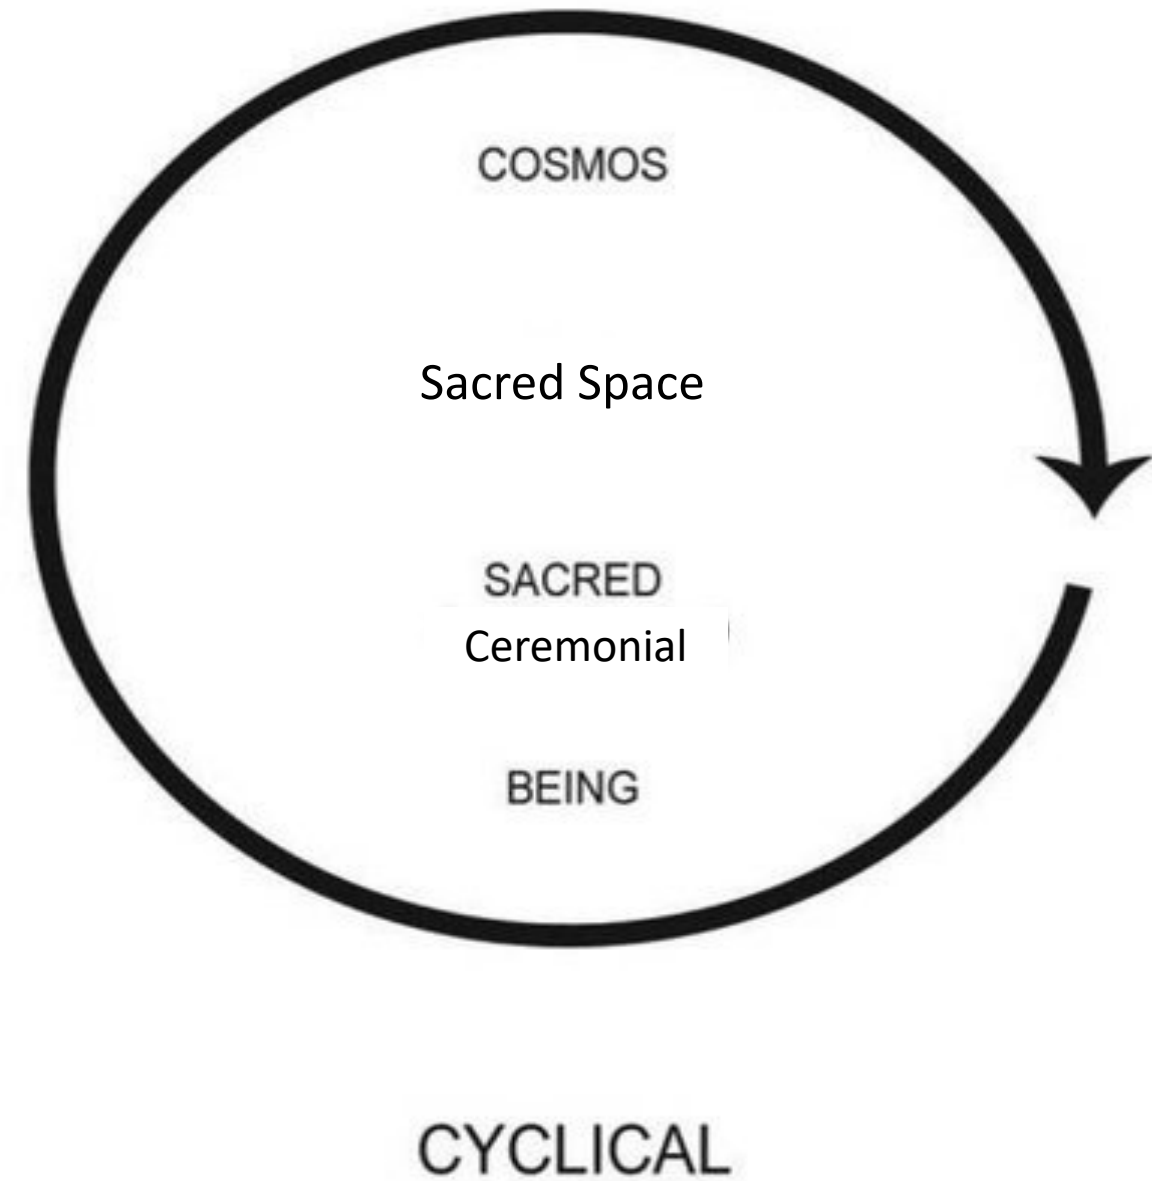

Cyclical/Spiral Time

Seasons/Moon Phases

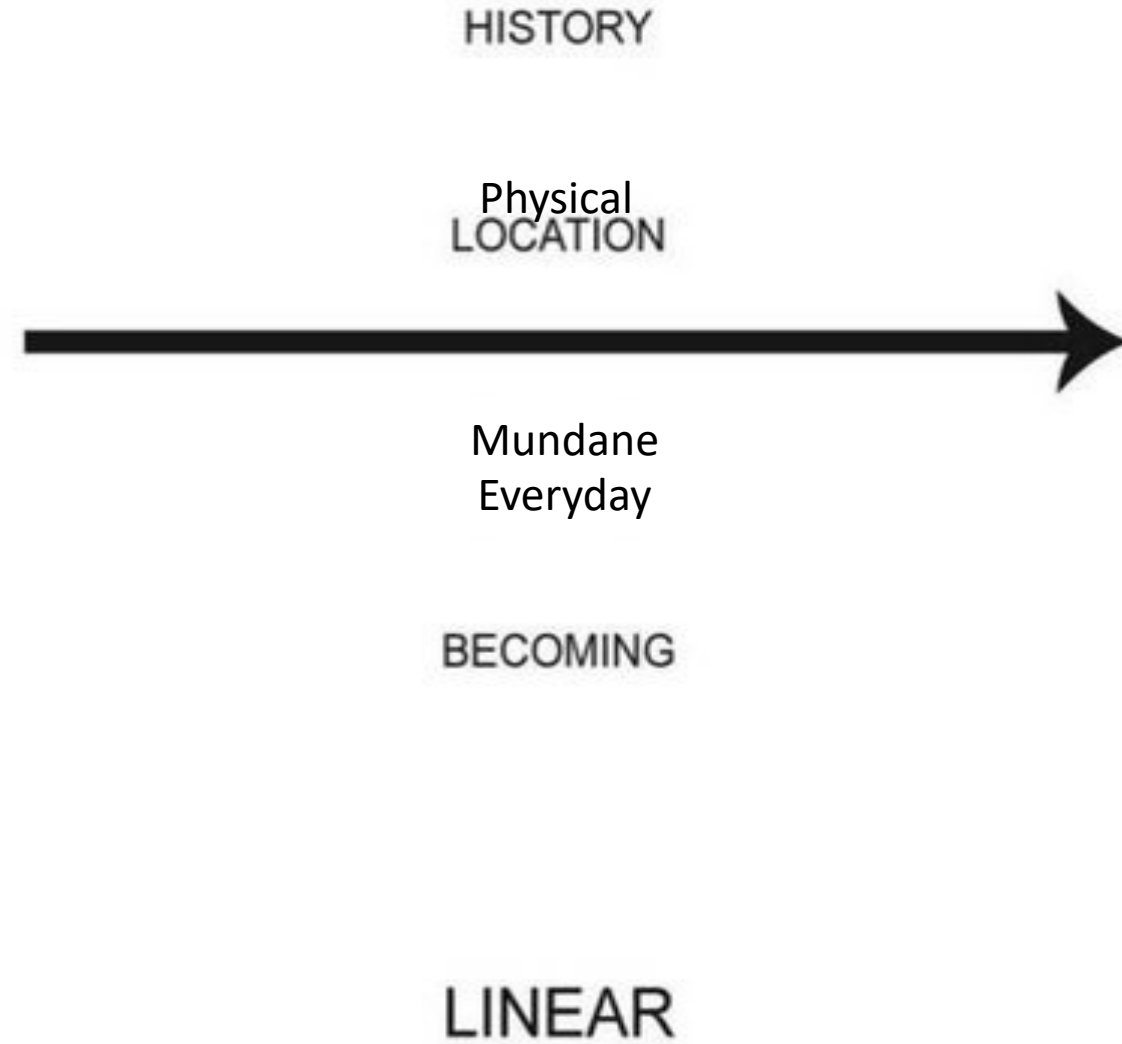

Kairos Time is THE MOST
opportune or supreme sacred moment
when eternity or Time out of Time occurs
for an undetermined duration when
something uniquely magical
and special happens.

As seen from Space

The Great Galactic Womb

**Galactic Center (a.k.a. great rift or dark rift) is a spiraling black hole or dark abyss.
Every Galaxy has a black hole or Galactic Womb at its center.**

**The Galactic Womb absorbs matter/particles while also sending out matter/particles.
Everything in our reality/galaxy has originated from this source, this Cosmic Galactic Womb.**

The Galactic Alignment

This book describes these cultures' relationship to Galactic Center including imagery of the Black Madonna and Isis representing the very womb of creation that gave birth to all the stars and planets in our galaxy.

Galactic Center

**The December Solstice Sun is on the Galactic Cross near Galactic Center
for at least 72 years from 1962 to 2034 OR for 144 years from 1926 to 2070
Between the Archer and the Scorpion above the womb of the Galaxy a.k.a. Galactic Center
Moving one degree every 72 years it takes nearly 26000 years to return**

The Seasons of Time determine what actions to take and when...Even the Time of Day fits into this

When to Prepare the Ground

When to Plant and Nourish the Seeds

When to Harvest

When to Rest, Regenerate and Renew

**When Our Timing
is not Aligned...**

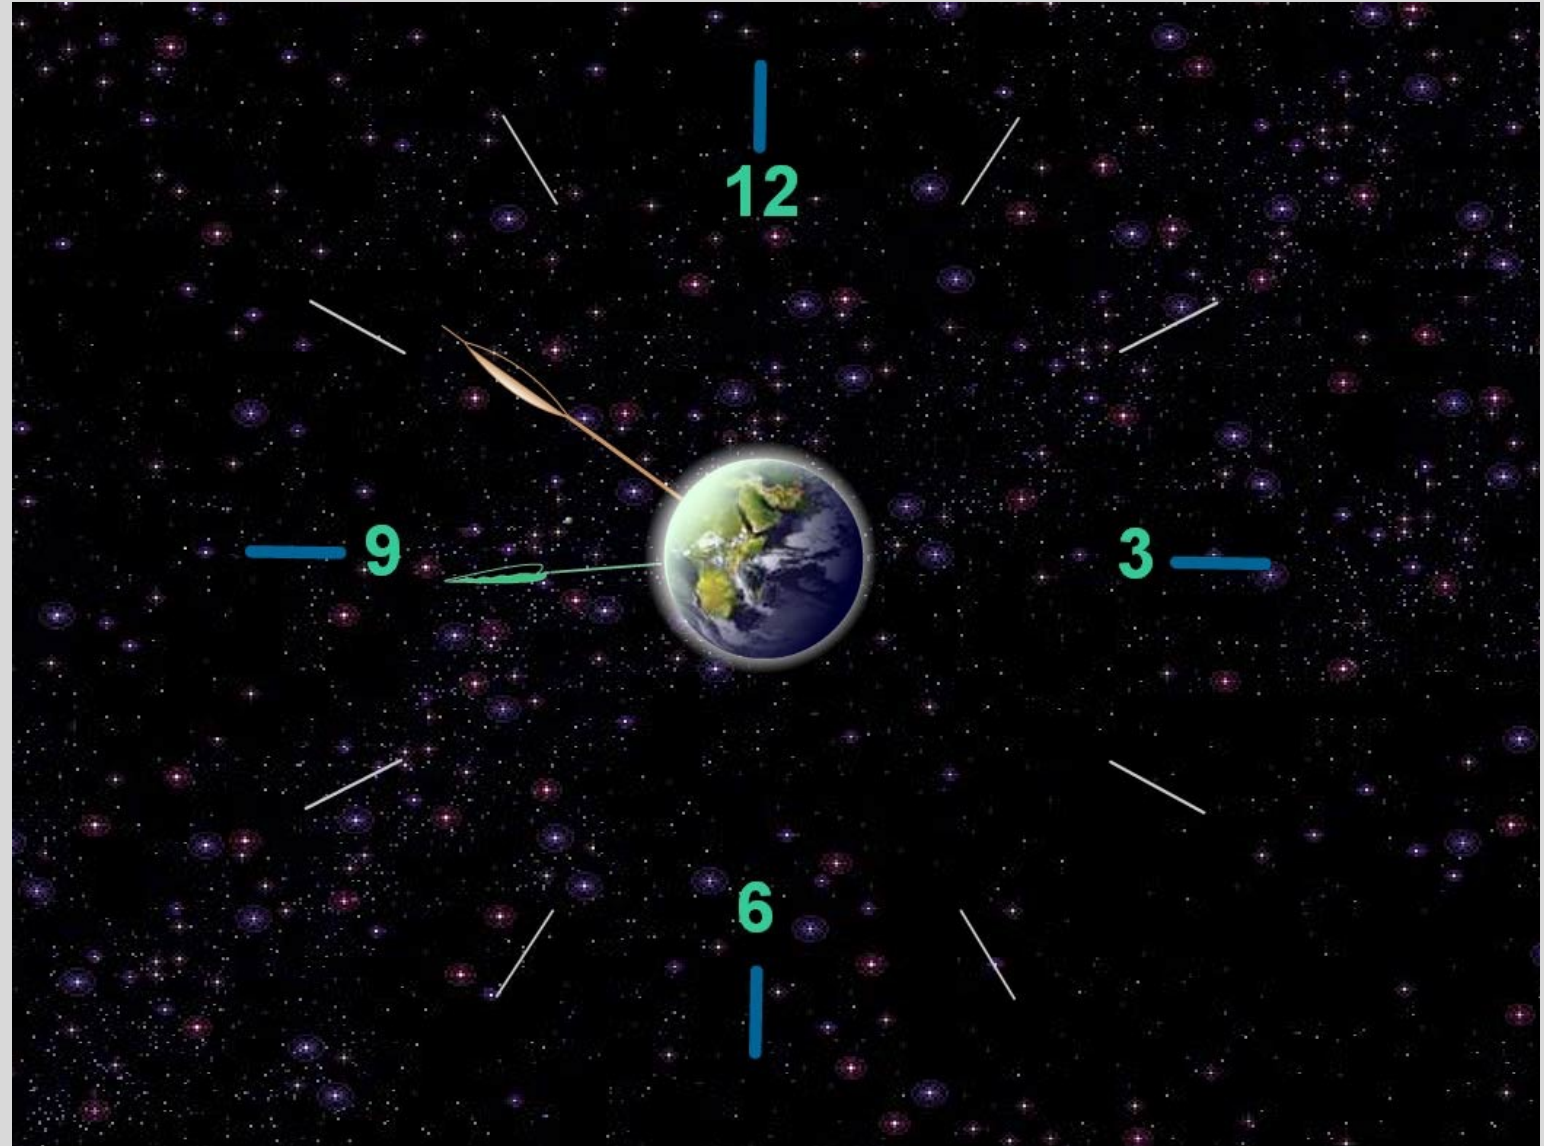

**We can do
everything right to
start a new venture
or project**

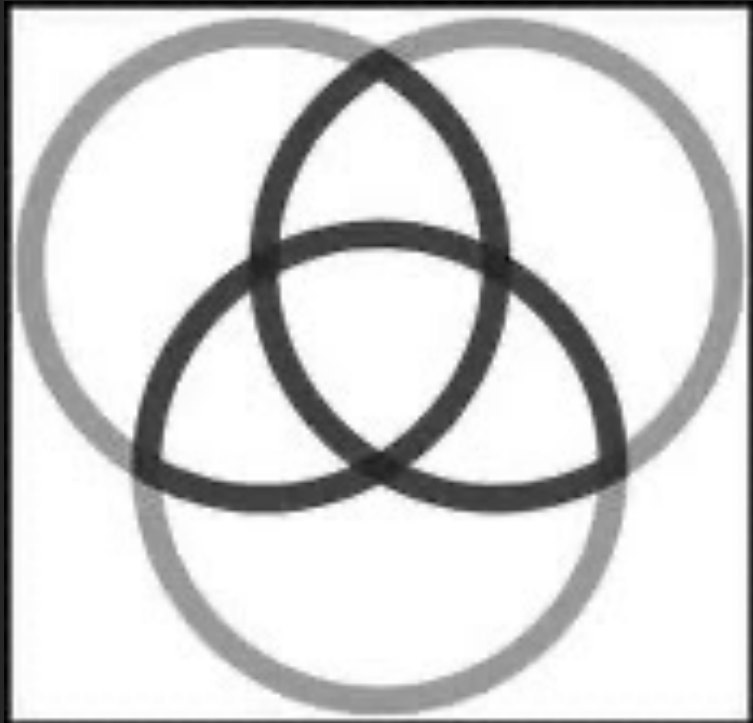

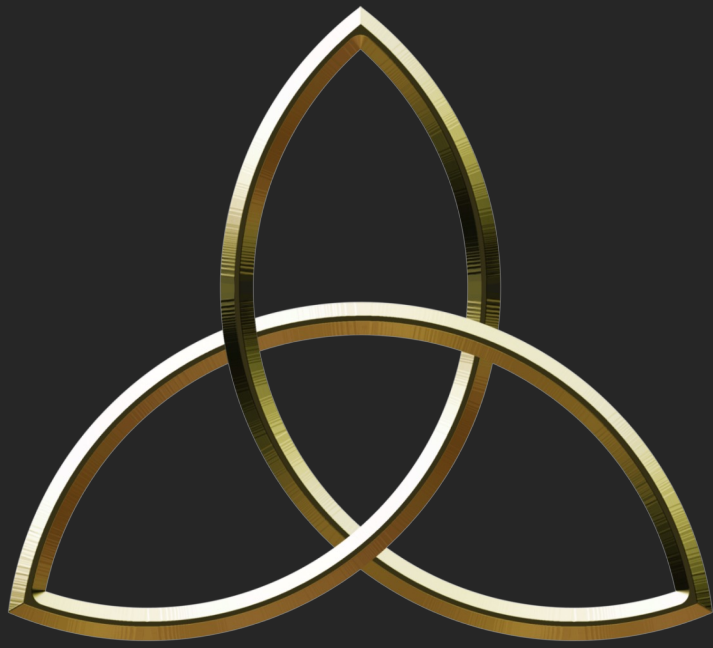

**But it doesn't
produce the
expected results...**

**Like planting a
garden in Winter.**

Relying primarily on clock time has created a loss of direct knowledge and experience of the natural cycles of the Sun, the Moon, the planets and stars as a way to wisely navigate through life.

The Triquetra

Generational Cycles

happen at specific ages

Collective Cycles

effect the evolution

Collective Cycles include:

**Equinoxes and Solstices

of the month and day
can be characterized
significantly by its position
within this lunation cycle.**
